"A good teacher is like a candle- it consumes itself to light the way for others."

-Author Unknown

"The job of an educator is to teach students to see vitality in themselves."  
-Joseph Campbell

Throughout his years at Windsor Locks High School, Mr. Hall has played an important role in many of our lives. Not only does he teach history, he also teaches us about life. Mr. Hall is dedicated to bettering his students, and he always has a welcoming attitude along with a smiling face. For many of us, he is not only a teacher, but a good friend. In honor of his character and wisdom we, the Class of 2005, dedicate our *Herald* to Mr. Gerald Hall.

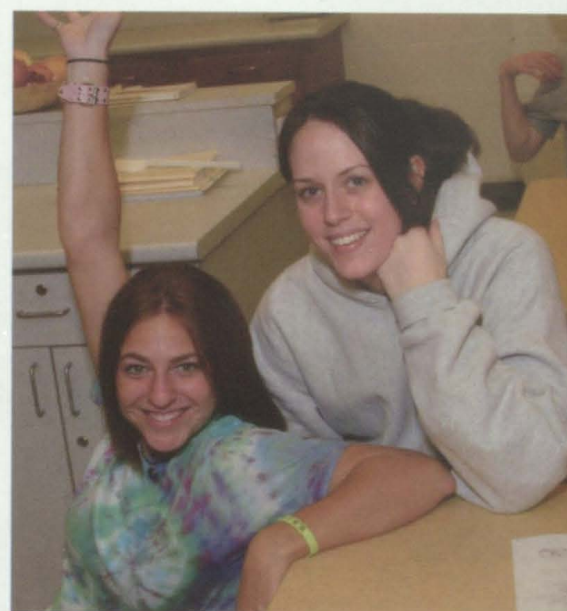

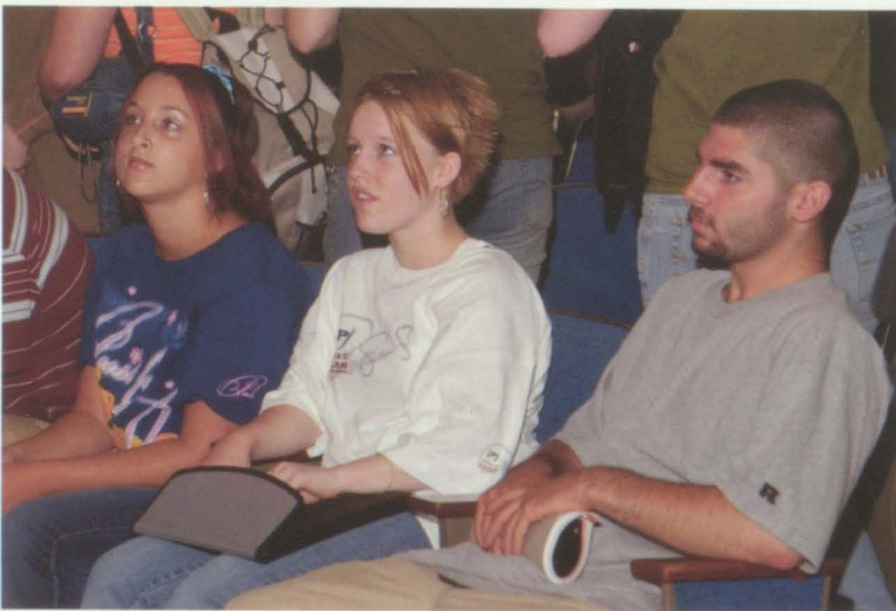

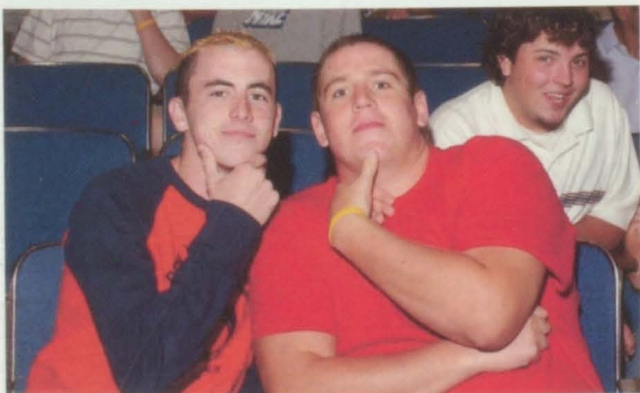

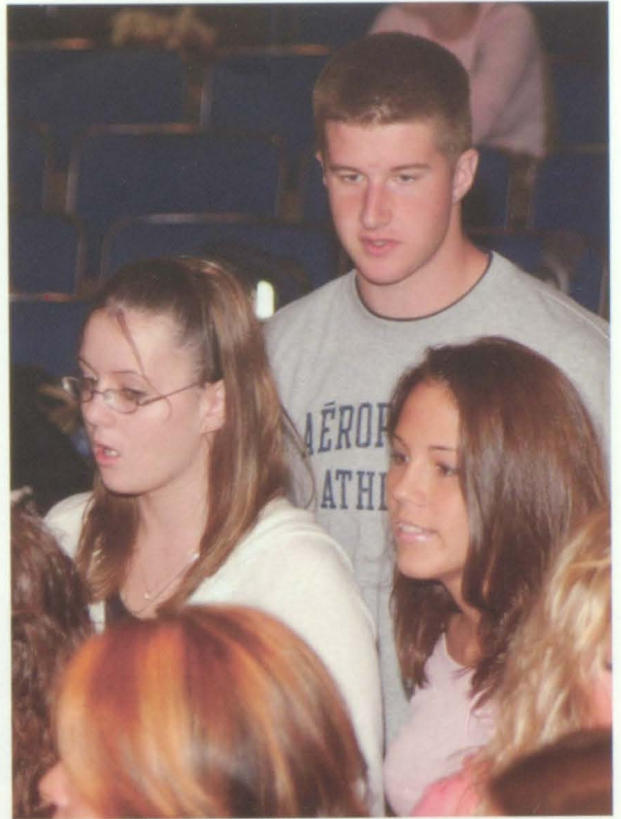

As much as we can't believe it, graduation is right around the corner. Our days at WLHS are becoming more and more precious as we come to the end of our time in high school. Some of us are letting the time go as it may, and others are counting down the minutes to graduation. At this point, however, each of us should take a moment to step back and reflect upon our past. Through the years the class of 2005 has done so much together. We took field trips, sponsored car washes, sat through assemblies, attended classes and participated in extracurriculars. Now that these times are ending, we cannot help but look over our shoulders to the past -- to the laughter and the triumphs, the obstacles and the hardships, and to the hopes and the dreams that we shared. But we must now let this past slowly go and look to our futures. The events of the past four years have helped make us who we are, and forever we are the WLHS Class of 2005. Remember, now is just a brief stop. It is when we look back to Old Endings and step forward into New Beginnings...

What's the use of worrying,  
 It never was worthwhile,  
 So pack your troubles in an old kit-bag,  
 And smile, smile, smile.

If I should meet thee,  
 After long years,  
 How should I greet thee?  
 With silence and tears...

"Meet new friends  
 But keep the old,  
 One is silver and  
 The other is gold."

"If you do not think about the  
 future, you cannot have one."

# Nutmeg Show Choir Festival

Mr. Wrinn, You've been our Festival Director for the past 10 years. We cannot even explain our gratitude to you. Your years of dedication will stay with us for years to come, and your legacy will live on in the Festival. You have made our competition such a joy to be a part of. Thank you for all that you have done.

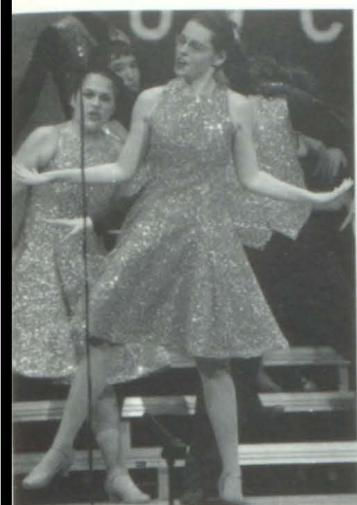

Though it's hard to let you go, in the Father's hands we know...

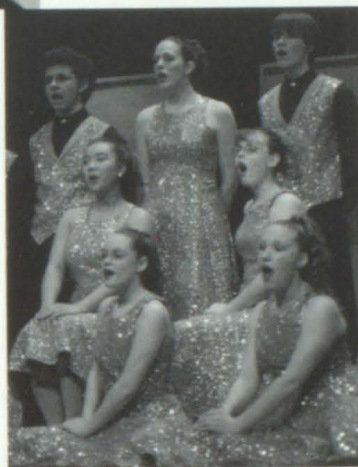

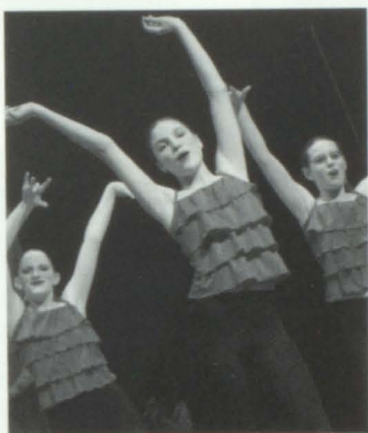

Friends are friends forever, if the Lord's the Lord of them.

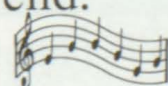

That a  
lifetime's not  
too long....  
To live as

A friend will not say never, cause the welcome will not end.

We are proud of you and have taken great pleasure in watching you grow into such an accomplished young man. Time flies by quickly and we do not always say and do the things we should, and sometimes we take things for granted. We hope that you always knew that we were next to you cheering and excited about every avenue you took. We thank you for the memories and thank God for blessing us with you and Rachel.

We hope that your thirst for life combined with your drive, faith and spirituality will show you a whole new world. Grab it and go with it. We pray that life will be good to you, and remember to:

 joy in my life and I wish  
 I had met you sooner. I  
 know that you will do  
 well in whatever career  
 you pursue. Good Luck!

With Love,  
 Charlie

Ashley,

Congratulations to you and the graduating class of  
 2005.

Since you were just a baby I've had the  
 pleasure of enjoying your loving, caring and  
 humorous nature. You've become a beautiful young  
 lady that's made me proud of you in every way.  
 Please never change and know you're always in my  
 heart. Wishing you all the happiness that life has to  
 offer.

I love you, Dad

"Maybe our mistakes are what make our  
 fate. Without them, what would shape our  
 lives? Perhaps if we never veered off  
 course, we wouldn't fall in love, or make  
 friends, or be who we are. After all, seasons  
 change. So do cities. People come into your  
 life and people go. But it's comforting to  
 know the ones you love are always in your  
 heart. And if you're very lucky, a plane ride  
 away." (Sex and the City) Ashley, you are  
 not only my sister, but my best friend as  
 well. No matter which direction our lives  
 take us in, I will always be here for you and  
 most likely less than a plane ride away. I am  
 so proud of you and I love you!

Your Big Sis

Dear Nachaly,

I remember when I used to beg Mami to let me put you in my Cabbage Patch baby carriage. I would stroll you around the house, as if you were mine. Even though I don't show it, I know you don't fit in that baby carriage anymore. I have to admit you have become a beautiful, mature, young woman who knows and gets what she strives for. I have confidence that you will be more than fine without my "motherly" advice. Just know that anytime you need it, you can always come to me. I cannot promise that I won't beat up people that bother you though! Haha! Good luck in college, although I know you won't need it.

Your big sister that loves you very much,  
Francis

Hola Hermoso Sol!  
Felicidades, Lo lograste mi vida, espero en Dios que esa luz con que naciste te acompañe siempre alumbrando tu camino hasta lograr todos tus metas sin que nada ni nadie la pueda apagar, siempre estaremos aquí para ti.  
Te amo mucho,  
Mami y Papi

Dear Nachaly,

I remember when we were little; I always wanted to sleep with you because I got so scared at night. We would always laugh at anything. Ever since I was little I always looked up to you. I'm lucky to have a sister like you who always makes sure that nothing happens to me. You never let anyone put you down and I admire that. I wish you the best of luck in college and I'm going to miss you.

Love,  
Your lil' sis Vimarie

## Congratulations Aaron!

## NICHOLAS

Over the past 18 years you certainly have made life interesting - always an adventure and never a dull moment. You've been good enough to give us a few extra gray hairs, too. You've made us laugh, you've made us cry, but most of all you've made us proud. We love you. Now it's time to follow your dreams. Face the new challenges, new adventures and live life. Believe in yourself - we do. Grandma is watching over and is very proud of who you've become.

All our love and support, Mom, Dad and Grandpa

# We Love You Peachfuzz!!!

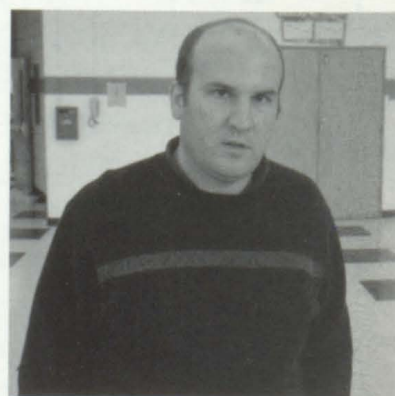

*The editors of the 2005 Herald would like to make their own separate dedication, to our advisor, Mr. Greene. This year has been a new experience for all of us, with new editors and a new way of doing things. We have all learned new things about the yearbook, but more importantly about life. Only Mr. Greene could have the patience to handle April's snippy temper, Christine's "Peach Fuzz Rubbing", Veronica's Mooch-like personality & constant asking of "What are you doing?", and Elizabeth's random noises. When we graduate, we will miss every day that we've spent with you from class to staying afterschool. Never have we met a teacher with a personality like yours, who can bring out the best in us. We hope your last year was as good as ours.*

*Thank You So Much*

eternity, he can never  
tell where his influence  
stops."**

# A Note From Your Editors...

With the closing of every day, we come one day closer to Graduation. Now we are preparing to tie up all the loose ends in this chapter of our lives, our Old Endings. Once we accept our diploma, we open up a whole new door into our New Beginnings. For all of us, this year has not been easy, trying to live up to old expectations and create new ones. We want our yearbook to be the best and we have sincerely tried. We have overcome many obstacles, and hope you enjoy turning these pages as much as we did making them. Treasure these last few moments we have together as we move on to different destinations in hopes of making our dreams come true. Soon all the familiar faces will disappear into the darkness, but they will shine forever in our hearts. We have enjoyed our last four years together, and wish you the best in your future endeavors.

"The boundaries which divide life from death are at best shadowy and vague. Who shall say where one ends, and the other begins..?"

~ Edgar Alan Poe

"To accomplish great things, we must not only dream, but act..."  
- Bill Blackman

"Somehow I can't believe that there are any heights that can't be scaled by a man who knows the secrets of making dreams come true. This special secret - curiosity, confidence, courage, and constancy, and the greatest of all is confidence. When you believe in a thing, believe in it all the way, implicitly and unquestionable."  
- Walt Disney

"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."
